What areas of your life in general and specifically do you lack and have wealth?

What difference is there between a need & desire?

Suicidal Fantasies

"If I were unalived, ease would be all that is."
-fear of pain, of another ruining your life maybe so guarantee you can't do? Would ease be for those incarnate and left with a memory rather a 'man, breathing?

Do you admire guilt?

Crazy in powerlessness?

Any warrior one can study explicates upon the atrocity of murder, what exception do you make for self murder?

Separation - Yes, we are in a spiritual warfare. I think each individual would have preferred to live for s with their s.o's than die to encourage freedom. A "noble" theft of existence remains despite favored describing.

On the contrary, to be contrived, what is willing you to withold?

Every variation of unkindness is an opportunity for compassion biased generousness.
